Statement-ll

Details of reduction in rental packages of MTNL MTNL has cut down its rental and/or other charges as detailed below:—

(1) MTNL Delhi has introduced a new tariff plan "Jeevan Sathi" for its prepaid Trump Mobile services *w.e.f.* 1.1.2006 whereby Rs. 900+Tax (One time) will be charged from the customers with life time validity without any change in existing call rates. One recharge will however be required in 6 months. This is also applicable in Mumbai since 2.1.2006.

(2) MTNL Delhi has also introduced Dolphin "Jeevan Sathi" plan with one time rental fee of Rs. 800+Tax with life time validity (no monthly rental subsequently) *w.e.f.* 15.1.2006.

(3) MTNL, Delhi has also reduced the call charges from Rs. 0.80/ minute to Re. 0.75/minute for local calls to MTNL network under its Budget Plan, Economy Plan, Plan A and Plan B for its postpaid (Dolphin) mobile services customers since 15.1.2006.

(4) MTNL Delhi has also reduced the security deposit for a new non-ISD landline connection from Rs. 3000 to Rs. 1000. Existing practice of taking upfront charges at rate of Rs. 2000 as security deposit towards Broadband facilities with new

telephone connection to be adjusted towards the security deposit of new telephone connection has also been dispensed from 6.1.2006.

(5) MTNL Mumbai has reduced the security deposit for New Telephone connection with STD from Rs. 3000 to Rs. 1000.

(6) MTNL Mumbai has also increased the talk value of its prepaid coupons in the following plans:—

Plan	Old	New	Years
900	100	600	1 year
1600	200	1200	2 years
2400	500	1800	3 years

Emergence of India as chip design hub

98. MS. PRAMILA BOHIDAR:
SHRI B.J. PANDA:

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether it is a fact that India is fast emerging as a chip design hub of the world;

(b) whether India is better placed than China in this sector;

(c) if so, the details thereof; and

(d) what is the action plan of Government to give a further boost to this industry and set up projects in the backward regions of the country *i.e.* Orissa, Jharkhand, Bihar etc., to improve their economy?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) to (c) According to the Indian Semiconductor Association (ISA)—Frost & Sullivian Report, 2006, the revenue from the chip design market in India has increased from Rs. 1820 crore in 2004 to Rs. 2507 crore in 2005 and is expected to grow to Rs. 21,868 crore by 2015. Chip design is essentially a software activity.
